

Job Description: KFPC Event/Market Volunteer

Job Title: Events/Market Volunteer

Revised: August 2025

Peer Reports to: Communications Coordinator

Locations: Varies based on event

Job Summary:

Since 1995, the Kamloops Food Policy Council (KFPC) has been pollinating and nurturing food sovereignty and food security in our region. For nearly three decades, we've worked to combat hunger and inequitable food access through community connection, policy advocacy, programs, partnerships, and mutual support. The KFPC relies on public interactions at events and markets to create awareness of our organization within the community. Event/Market Volunteers are responsible for helping KFPC staff distribute information, assist with sales at our table (if we are selling products), and setup/teardown of event displays as needed. This role offers the perfect opportunity for anyone looking to spend their spare time meeting new people, learning, and giving back to the community.

Key Duties and Responsibilities:

The key duties will be explained with each event but general responsibilities include:

- Being present at our booth during community events/markets
- Promoting any specific events/surveys/campaigns
- Encouraging participation with any interactive display elements
- Respectfully represent the KFPC as an organization
- Distributing physical promotional materials/signing people up for newsletter/gleaning/etc
- Assisting with setup/teardown of event booths/displays

Skills and Qualifications:

- Ability to lift 10-20 lbs.
- An interest in food security and community
- Valid FoodSafe1 and/or Serving It Right certifications are assets. Some events involve food and drinks, in this case we will select volunteers with these certifications. You will be notified beforehand if an event requires these certifications.

Impact of Role/Advantages:

- Providing resources and information to benefit individuals and organizations
- Networking opportunities
- Volunteer experience for resumes/job applications

Time Commitment:

- Event/Market Timing
